JUST IN CASE

AMARO

amaro directly translates to “bitter”, is an Italian herbal liqueur that is commonly consumed as an after-dinner digestif.

AQUAVIT

a scandinavian spirit derived during the 15th century has strong notes of caraway, fennel, and dill

BITTERS

liquor that is flavored with the sharp pungent taste of plant extracts and is used as an additive in cocktails.

(cocktail seasonings)

BOURBON

whiskey made with atleast 51% corn in the mash bill aged in new american oak barrels and must be made in the united states

CACHACA

a brazilian style of rum which is traditionally distilled from fresh pressed sugar cane unlike must rums which are distilled from molasses

CHARTREUSE

french herbal liqueur whose recipe to this day is one of the worlds heaviest guarded secret

CHEEKYS

a quarter ounce shot, just a taste

DEMERARA

a partially refined light brown cane sugar
originally from Guyana

JIGGER

a bartender's best friend

MEZCAL

similar to how all bourbon is whiskey, all tequila is mezcal
but not all mezcal is tequila

OUI

if you know you know

SERVED UP, ON THE ROCKS OR NEAT

served up - cocktails served in stemware
on the rocks - in a rocks glass with ice
neat - straight pour into a rocks glass
(aka fancy shot)

SHRUB

a fermented fruit syrup

WHISKEY

distilled spirits made from fermented grain that is typically
aged in wood containers
